AYURVEDIC HOME CLEANSING CONSULTATION

50 Mins

A medical analysis of your health and current imbalance using Ayurvedic diagnostic methods using tongue and pulse diagnosis. The detoxification is then tailored to remove toxins, improve digestion/gut health and help alleviate chronic conditions. The Cleanse usually lasts between 14 - 21 days depending on your current health.

Our tailored programme includes:

- Initial Consultation to look at current imbalance, tongue and pulse diagnosis
- Prescription and sourcing of herbs to take during and after the cleanse (excl. cost of herbs)
- Day to day guide on how to prepare the body for detoxification, with diet, lifestyle
- Specific method on how to cleanse whether through purgation, nasal administration or herbal enema, based on Doshic imbalance
- Day of the cleanse – written directions on how to perform an effective purification process
- Dietary plan before, during and after the cleanse, outlining foods to eat and avoid.
- Ayurvedic Nutritive recipes to best support the cleanse
- Online/telephone support throughout the cleanse
- How to rejuvenate the body, increase energy and vitality after the cleanse

Consultation and Personalised Cleanse Programme | £180 | £100 for returning Clients.

PANCHAKARMA RETREAT CONSULTATION

50 Mins

For a deeper more traditional cleanse a residential stay at our India retreat is essential. This initial Panchakarma consultation, at one of our London clinics, is designed to discuss your health goals, diagnose your current imbalance, the strength of your digestion; level of toxicity and capacity to undergo cleansing. We will also discuss your suitability for Panchakarma and practical time to travel to India.

This Includes

- Initial Consultation to look at current imbalance, tongue and pulse diagnosis
- Liaising with your Ayurvedic Doctor in India to design your personalised Panchakarma
- Co-ordinate your Panchakarma and stay with our India Retreat
- Arrange collection from the airport
- Support you during your stay in India throughout your Panchakarma
- Address any concerns you may have during your treatment / stay
- Have all your dietary and herbal recommendations sent to us post treatment
- Support you on your return on how to implement the recommendations in the UK
